My most interesting subject is...

My most challenging subject is...

Three words to describe me...

I deal with stress and/or anger by...

If I could travel anywhere, I would go to...

I would like to learn more about...

What type of lesson helps me to understand better (you might circle more than 1):

1. Teacher explains aloud and I follow on my laptop/handout
2. Teacher explains using photos, videos and PowerPoint presentations
3. Teacher writes/shows examples on the board and I copy on my workbook
4. Teacher asks another student to present materials and I take notes
5. Teacher asks all students to try a sample at their desks (e.g. writing a definition)
6. Teacher asks students to work in groups
7. I read things on my own, taking my time
8. Another student explains things to me and answers my questions
9. I watch what another student does and do something similar
10. I try it on my own first and then compare with another student
11. Other \_\_\_\_\_

1. What is my favourite thing about school?
2. What sport do I like to play?
3. What do I like to read?
4. What kind of music do I like?
5. What kind of career would I like when I am an adult?
6. What do I do for fun?
7. What makes me laugh?

Thank you for your time and cooperation 😊
